Submission Topic: Electorate Boundaries
Electoral District: Mount Ommaney

Submission:

On behalf of the Darra Community Group I am writing to object to these changes which would see the majority of Darra moved from the electorate of Mt Ommaney to Inala.

This would mean that citizens of Darra would no longer be in the electorate where the majority of our children go to high school (Corinda SHS and Centenary SHS), where we shop (Mt Ommaney, Jindalee) and spend most of our non-working day.

Rather than having a representative who is physically close to us and well known, we would now be on the edges of a new electorate where there are few currently existing community links.

We can see no reason for these changes or how they would be in our interest.
