Submission:

I'm writing in objection to the redistribution of the Mt Ommaney electoral boundary, which removes Jess Pugh MP as our elected member in Darra. Jess has been a committed, valued and important part of advocating for the electorate as a whole and the suburb of Darra. She has fostered and maintained many relationships within the community which have resulted in many important projects and initiatives being implemented. This boundary also removes Darra from a local catchment that includes a number of primary and secondary schools, as well as public facilities and services that are vitally important to residents. Please reconsider what seems to be a random 'chunk' removed from one electorate and placed in another for no real benefit.
