To whom it may concert - HANDS OFF HILL ELECTORATE!

Save our voice in far north QLD.

I have recently been made aware of the proposal to abolish the electoral seat of Hill from the far north of QLD. This is preposterous and must be abolished immediately. The seat we have here represents people in the regions and rural areas so well, we may have a different needs to the cities but that doesn't mean our voices should be made obsolete through this bill.

We love our electorate of Hill. I am a local hairdresser and have the ear of the general public at all the markets from Mareeba to Archers Creek. 99.9% of us agree that the idea of changing this electorate and making us drive 15 hours to Mt ISA to be able to talk to our local representative is just bonkers.

WHAT ARE YOU DOING IN THE PARLIAMENT?

LISTEN TO THE PEOPLE ! We are the tax payers paying your wages to make decisions for us on our behalf not despite us.

I look forward to hearing that this bill has been thrown out on the grounds of common sense and decency.

Yours sincerely,

Fiona Hunter-Espley.
