To whom it may concern

**RE: Proposed changes to Kurwongbah Electorate boundaries**

I write as a local concerned about the changes proposed to Kurwongbah electorate boundaries – specifically those impacting Narangba.

We have a cohesive, strong community here in Narangba now with shared interests in local sports, schools, service and small business hubs. The changes proposed for our suburb are confusing and I want to register my objection to dividing our Narangba community.

Kind regards

Helena Wright
