Just because the populations of Urban areas has increased should not affect those living in rural remote areas. Those living in these areas are faced with difficulties in having our local member based in larger towns, remote from where we live. Our local member, based in Atherton is a round trip of 2 hours, just to have contact with him. Shane is supportive of issues facing our community and will attend meetings concerning our issues. By removing Hill Electorate will make living in remote areas even more difficult, as putting our local member in an area that has little in common with us, to be ridiculous.

DO NOT remove Hill, for us it is our lifeline to all matters of a political nature.
