Submission:

If/when the electoral boundaries change, representation for the Rosedale area by the elected representative will be minimal at best due to where we sit on the boundary. Current representation from the elected member of Burnett is excellent, he is present regularly and accessible if needed, and we also sit on the edge of our current boundary. Rosedale area has little to no connection with the Callide region however the current area being Burnett connects to our daily lives and is a meaningful connection. Rosedale's not mentioned on these maps but the area is clear to those of us who live here.
