**Submission:**

I wish to submit my objection to the proposed redistribution of the Hill electorate.

What has been proposed is not viable. It has split the Atherton Tablelands in two with us being moved to Flinders whilst 15mins up the road will be Mulgrave. It makes no sense. Why would you spilt a region in two!

It is my belief that the current premier has done this on purpose to dissolve another KAP member. Clearly the premier has concerns about the wide popularity of the KAP party in our region.

This is a terrible idea that will lead to the Atherton Tablelands being more forgotten than they already are.

As if South QLD needs more electorates than they already have! It's a joke. Yet again a clear indication of what South QLD thinks of North QLD. Maybe the South should grow their own foods and not need ours. Or maybe the state should be split in two so we don't get tainted with being part of South QLD. Shane Knuth will get back in to Parliament regardless of what the premier wants because Shane actually cares about his constituents!
