To Whom It may concern

The recommendation to abolish the Hill electorate is appalling taking yet another regional seat being abolished and giving it to the south east.

The Member of Hill the Honourable Shane Knuth has been targeted from the very beginning of his electoral carrier. Mr Knuth represents his electorate to the highest standard. It would seem to be a personal vendetta against him being the third electorate to be abolished that he has represented.

This is also going to put extra pressure on the electorates of Traeger(Flanders), Mulgrave, Hinchbrook and Dawson. This means much less representation for all of the current Hill Electorate. with some constituents having to travel extremely long distances to have consultation with their member of parliament. Where electorates in the south east are much smaller and therefore much more accessible to constituents. This is a major denigration of the regional Queensland.

I ask the Redistribution committee to reverse this recommendation immediately.

This in my opinion is a condensing of power to the south east and the regional are left to suffer.

I support the Honourable Member of Hill Mr Shane Knuth and applaud him for his tireless efforts for his constituents and the greater Queensland.

Kind Regards
Darryl Pedersen
