I malcolm burkhardt own a property at the top end of mooloo and have an objection to a boundary change as we will not get any more roadwork done and we don't get very much done at this stage anyhow the roads are disgusting out on mooloo the boundary change will mean that nothing will get done here ever again and it is a cop out by the Gympie Council. I strongly object to boundary changes without a vote from the people and I am sick of your underhanded tactics.

Sincerely, malcolm burkhardt. [REDACTED]
