Submission Topic: Electorate Boundaries
Electoral District: Aspley

Submission:

I strongly oppose the proposed new electoral boundaries. Geebung is part of the Aspley electorate, and should not be fragmented as the proposed new boundaries will do. Geebung is one suburb and should not be split between two electorates. This will affect how our suburb is represented, as each new smaller section of the electorate will have a reduced importance when dealing with either MP on issues that affect our suburb. Leave things as they are!
