I am writing to oppose the proposed changes to Hill boundaries. This is the third proposed change to my electorate in the 40 years I have lived at [REDACTED]. We get a good representative and the boundaries are being changed to unseat him. This smells of undermining our representation to some other parties advantage. Changing electorate boundaries due to population numbers leaves country people at a disadvantage due to distance representative has to travel. I feel this gives us unequal representation to southern Queensland. Yours sincerely Trevor Kroger.
