**Submission Topic:** Electorate Names  
**Electoral District:** Beaudesert (formerly Scenic Rim)

**Submission:**

The seat of Beaudesert (formerly Scenic Rim) is a large and vast electorate with many unique local communities. The name Beaudesert is endeared only by the local population of the township. As the majority of the electorate is vastly spread, it has a number of small towns, populated by proud citizens. Proud of their great, small, but well connected communities and have a disconnection with the name Beaudesert.

I propose the rename of the electorate should be "Wyaralong". The Wyaralong Dam is a central point of the electorate, hosting many recreational fishing, sporting and leisure events that unite the entire electorate. The Wyaralong name does not identify uniquely with a few, but all citizens of the electorate.
