Submission:

To the Redistribution Commissioner's,
I object to the change in electoral boundaries, if you add Eli Waters and other parts of Hervey Bay to Maryborough, not only will these people feel that they don't belong and are no longer an important part of the Hervey Bay Electoral district! I live a suburb of Hervey Bay and not Maryborough! I believe that any person that is elected within these new boundaries will ignore that they have constituents in Hervey Bay. This is the most ridiculous thing that I have ever read. This is the first time I have heard of this redistribution, Why was a letter not sent out to explain this last year? This has not been handled well at all! I do look forward to staying within the Hervey Bay Electoral district.
Thanking you
Dianne Kramer
