Good Afternoon, I strongly oppose to the merging of Hill into other electorates in the Far North. It will make it unmanageable & less representation for us all. The South East Corner is already over represented & has far too much influence on any election that is held. We supply a lot of food to the South East under difficult circumstances with with the famous Bruce Highway continually closing, poor transport & the extra cost of living up here plus numerous other disadvantages. May I suggest to you that you pay us a visit especially in the cyclone season & you then might understand why we do not need to lose Hill. I am sure that Mr Knuth would be only to happy to show you around this electorate. Kind regards Gweneth Hammerton from the electorate of Hill.
