To whom reads this

The Electorate of Hill Must be kept. This seat of Hill in FNQ is an essential voice for us here in North QLD. It is unreasonable and unacceptable for us to have to travel down to Brisbane which is a minimum 1800km away from where I live to be able to contact or to walk into our LOCAL Member for Parliament

Our LOCAL Member for parliament is crucial for us to be Local as what effects our community's usually effect those in the parliament, we have countless times had local MPs that come to our local events and Markets

I personally have met Shane Knuth and Bob Katter many times at our local markets and Community Events. They listen to our problems and help with anything they can.

We need a Local MP that we are able to easily put a name to a face and be able to talk to in person. who is accessible to us.

We need a MP that lives and works in the local area for their Electorate. as the problems we have in their electorate also impact on them (Floods, Cyclones, etc.) as much as it affects our community.

MPs in Brisbane have no reason to help us here in FNQ as our problems do not affect them directly. and they do not see the negative impact of problems in or on the community and its people. Therefore they are less willing to fight as hard with our issues problems than if they were local to the area.

Again I restate that we NEED Hill Electorate to stay in FNQ and not be abolished to a Brisbane seat.
