Name: Melissa Connor
Submission Topic: Electorate Boundaries
Electoral District: Callide

Submission:

The proposed changes moves Agnes Water from Burnett, a small electorate where we regularly see and have access to our MP, into a huge electorate spanning hundreds of square kilometres. This will put huge pressure on the elected MP of Callide to be across a large range of areas. We will be impacted by reduced knowledge on local issues, of which there are lots, including schools, roads and lack of medical infrastructure. Please do not proceed.
