Submission Topic: Electorate Boundaries
Electoral District: Ipswich

Submission:

To whom it may concern.

I would like to lodge my objection to south ripley being rezoned to be part of the Greenbank electoral area. This to me raises a number of concerns; from being split from our strong communities ties with Ripley, to being far removed from Ipswich which is a major factor in our health prescient, schools and community development.

the Ipswich community is making tremendous growth opportunities for our area, schools and lives which we specifically chose to be part of when we moved here. To me moved to a council far removed from our goals is not desired in any way.

Thank you
charlotte
