Submission Topic: Electorate Boundaries
Electoral District: Hill

Submission:

The Atheron Tablelands does not wish be represented by politicians in North west qld. The far north and north west qld do not wish to lose seats to the east coast. There are different lifestyles, different industries, different needs. Far north QLD and north west qld are already under resourced and under represented in Brisbane, with little of the funding generated by income tax in these regions being spent on the East Coast.
