Submission Topic: Electorate Boundaries
Electoral District: Hill

Submission:

Please take Hill electorate away from the Katters, give it to a member of parliament that listens to the electorate and has the capacity to represent their citizens. We in Hill suffer from representation that is only interested in getting off his personal speeding fines, pushing his hobbies of pig & croc hunting & spreading racial & cultural division!!

Please euthanise Hill so we do not have to suffer anymore from this neck goiter of a member any longer!
