To the QRC Submissions,

I wish to strongly object to the proposed abolition of the Hill electorate, and therefore ask that this idea be scrapped and the electorate be left as is.

My wife and I are extremely disappointed by the Commission's proposal to abolish the seat of Hill and divide our electorate across and into other neighbouring districts. Furthermore, and in discussions with our close friends, neighbours, the general public that I deal with, and other community members, they too are deeply concerned by this idea.

Whilst my wife and I are fairly new to the Atherton Tablelands, we have experienced all the good that Shane Knuth MP Member for Hill has done and continues to do for our community, and for all the electorate of Hill.

We moved to the Tablelands in 202 for all the good reasons and prosperity that lays ahead. Please don't muck that up with these proposed changes !

Thank you

Your sincerely David Mell
