Submission Topic: Electorate Boundaries
Electoral District: Hervey Bay

Submission:

The proposed redistribution results in the Hervey Bay Hospital being classified in the Maryborough electotate. Given the population and geographical significance of Hervey Bay compared to Maryborough, this could result in a reduced support for the health support needs of Hervey Bay. Currently the standard of the Hervey Bay Hospital far exceeds that of the Maryborough Hospital and the local demands for high quality health care are much better served by retaining the Hervey Bay Hospital under the governance of the Hervey Bay electorate. I object to any move to redistribute the boundaries that would result in the control / governance of the Hervey Bay Hospital to the Maryborough electorate. This can only diminish the current high quality of healthcare that is vital to the Hervey Bay electorate.
