**Name:** Laura Bagnall  
**Submission Topic:** Electorate Boundaries  
**Electoral District:** Gympie; Nambour (formerly Nicklin)

**Submission:**

Mary Valley is very much a part of the Gympie community. Most residents come to Gympie for shopping and to access community services.

It is nonsensical to move the boundaries to align the Mary Valley with the Nambour electorate, as there is no connection between the community of Mary Valley and what Nambour provides (that is different to what they can access in Gympie).
