Submission:

I am objecting to the towns within the Mary Valley currently part of the Gympie shire to be changed to Nambour which is an hour away from where we actually live, we are part of Gympie, we shop there, use all of the facilities and services there. Our council is there if we need to go to the their offices, it just doesn't make any sense at all if we had to drive to Nambour it's no where near us. I strongly object to these proposed changes to our electorate.
