**Submission:**

I strongly object to the removal of the Hill electorate.  
We are an electorate that has a growing population.  
Distances are also long.  
We have extreme weather events.  
Whilst it maybe convenient for the south east corner to think that everyone wants to live there - We don't, in fact many of us could think of nothing worse.  
It is extremely distressing to feel that representation and democracy are so fragile.  
Please reconsider.  
yours sincerely
