Submission Topic: Electorate Boundaries
Electoral District: Hill; Mulgrave

Submission:

Proposed Boundary Redistribution for the State Government which was released yesterday.

There are many changes across the State, but the most significant for us in Division 2 is the stretching of Mulgrave to now take in Atherton and Yungaburra as the seat of Hill is proposed to be removed.

What this effectively does is dilutes the importance of our area - Not only the south of Cairns by adding in numerous more townships to represent, but also Far North QLD in general by removing one of our seats in Parliament (Hill).
