To whom this may concern,

I wish to object to the proposal to abolish the seat of Hill.

I have lived in many towns & states of Australia & this is the only town where I have actively seen an MP turn up to community events & who genuinely takes interest in his sector.

We don't want his seat to be lost to SEQ. I understand there are more people down there, but all the more to make sure we have a voice for us.

Anna.
