To whomever this may concern,

I am writing today on the matter of redistribution of the Hill electorate. This is a monumentally ridiculous decision. As its is we are a forgotten part of Queensland's government. The only time we get help is if there has been a weather event that warrents help. Shane Knuth has been our boots on the ground or a long time and he ensures that we get the help we need. He is a vital recourse that we need. Why was this not voted upon as this seems like some thing the citizens of Queensland should have a say about. My vote is against the redistribution of the Hill electorate.

Kind regards
Robert Richman
