Letter - Thelma Pedersen.pdf

Queensland Redistribution Commission.

I wish to register my opposition to the removal of Hill and Shane Knuth from the electorate. Never have we been so well looked after. Shane is one of the very few honest and hard working politicians it has been my privilege to know.

How he manages to be at functions from one end of Hill to the other is astounding.

Splitting Hill and lumping it into other huge electorates is ludicrous , we can forget representation if this happens.

Why has Shane been targeted from the beginning of his political career? I can only assume it is because of his tenacity in fighting for his constituents. Please let common sense reign and leave us with Hill and Shane Knuth who will no doubt continue his exemplary work.

By reducing regional seats from 13 to 12 the sitting Members of Hinchinbrook, Dawson, Traeger/Flinders and Mulgrave will be further burdened. The hours spent travelling could be utilised to the advantage of hard working country people who are the back bone of this State.

I appeal to you not to meddle with an electorate that is working perfectly. Thankyou.

Signed:

Thelma P Pedersen.
