To the Commission,

I have long had a strong connection to Brisbane's north side and have lived in the area for more than 37 years, including in Sandgate, Deagon and Chermside. I include this to highlight my personal familiarity with the community and an understanding of its needs.

In my view, there should be closer alignment between state electorate boundaries and local council ward boundaries, rather than the current level of separation. Better alignment would enable more effective coordination between both levels of government on key local issues and, quite simply, is a practical and sensible approach.

For these reasons, I support the proposal to align the Aspley/Nudgee boundary with the Deagon Ward boundary.

Kind regards,

Ray Sawyer
