[You don't often get email from [REDACTED]. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

Representation for the residents of regional far north Queensland are becoming less represented as the south of Queensland expands. This is unsustainable and will ultimately lead to less people moving into and staying in these areas. Which will ultimately lead to less farming and more congestion down south. We need more representation not less. I am all for Far North Queensland becoming its own state with its own representation. Otherwise I think it will become hopeless and unsustainable.
