To Qld Redistribution Commission

I would like to lodge my objection to the decision to remove the Hill electorate
We live at Wondecla on the Nth Qld Tablelands
We need to have a representation up here as I fear that our voice will not be heard if
absorbed in a larger electorate with representative not even living in this area
I acknowledge that there is an increased population in south
I believe that an additional seat in South Qld should have been the best decision
