Submission Topic: Electorate Boundaries
Electoral District: Gympie

Submission:

We object to having the Mary Valley removed from the Gympie electorate. We live 50km from Gympie but 82km from Nambour - that is a very long way to go to vote! Gympie is our closest town for shopping etc, so it is possible to vote while in town for other necessities. We don't go to Nambour for anything so having to travel all the way down there (164km - 3hr - round trip) to vote is a huge waste of time, diesel, and vehicle wear. We are NOT part of that community and do not access any of the state government facilities in that area - all such is done in Gympie.
