To the QRC,

it is in my interest to write to you express my concern of the abolishment of another qld seat.

I am writing this because I am deeply concerned that your priorities are becoming more about South East qld, rather than qld as a full state.

Qld is a huge state in fact the second biggest state in Australia. And the fact that you want to take another seat out of rural Qld i think is completely absurd. The rural part of qld is already severely under represented and to take away another seat is just ridiculous.

I would like the QRC to scrap the idea and leave the Qld seats as they are.

You have taken enough seats from rural qld as it is.

Thank you

Ash
