Good morning

Concerned citizen (how can we not be) in regards to the potential disbandment of the Hill Electorate.

I am NOT in support of this, we have minimal representation as it is without stealing another seat for the south east. This would leave 12 seats in North Qld, 61 in the south!!!! what a joke!

Some would have to travel a day to see an MP.. what kind of representation is that?

The electorate of hill is instrumental in a large portion of farming, we have constant issues with weather, roads, other things and eliminating our voice is unfair and will significantly disadvantage the community. We are a tourist destination with plentiful waterfalls and freshwater swimming holes.

Please consider.
