Submission:

I strongly disagree with Cooroy being included in the Nambour Electoral District. Cooroy is in the Noosa Hinterland. Most people of Cooroy shop and work in Noosa. I deliberately purchased a property in the Noosa Shire to be part of the Noosa area which I personally have lived and worked in for the past 25 years. I have a traumatic history which occurred in the town of Nambour when I was a teen. I have done everything I possibly can to distance myself from that town. Nambour is a town whose values don't align with those of the Noosa Hinterland (Cooroy) residents. I would be devastated at being forced to be associated with Nambour in any way whatsoever. I find this extremely triggering and distressing, please look beyond just numbers when making this decision and consider people's identities and sense of home. I am proud to be associated with Noosa and have made decisions that reflect that, such as buying my home in the Noosa Hinterland.
