**Name:** Charlotte Doger de Speville  
**Submission Topic:** Electorate Boundaries  
**Electoral District:** Barron River

**Submission:**

Kuranda /Speewah has very little connection to the electorate of Cook as most people are working and have businesses associated with Cairns and Tablelands areas. If anything, Barron River Should Be increased by including some areas north and south of the electorate, I the electorate really need to be abolished, then it should be added to Cairns or Kennedy. We need more not less representation in FNQ.
