**Submission:**

I live in Cornubia and I have a key community stakeholding in Beenleigh. I eat there every week and am a member of the Bowls club , I am a current and active member of Beenleigh Quilters for 21 years. I have patients from Beenleigh, I use the community pool there, my children were part of the PCYC, I shop there every week, I catch the train from there and I visit my optometrist there among many other businesses and services. I profoundly object to not being a part of the electorate. In fact, I feel misrepresented as a part of the proposed Springwood redistribution.
