Submission:

Please reconsider splitting the Geebung suburb into 2 different electorates - Nudgee and Aspley. Draw the boundaries along Bilsen Road Sunshine or in the industrial area to keep all Geebung residents in the same district. It doesn't make sense for the boundary to run down Newman road, meaning half of Geebung (including the RSL and Geebung special school) are in Nudgee while the Geebung state school and Geebung bowls club are in Aspley.
