You don't often get email from [REDACTED] [Learn why this is important](#)

I have signed every objection form and emailed our Premier, but feel that no matter how many objections there are

The decision is a foregone conclusion.

Should you take our representation away, I assure you that my vote will go to anyone but libs or labor.

I am very happy with our Premier to this point, but he of all people should know how important representation is in small towns. I realize Ingham is larger than Atherton, but the principle remains.

I strongly request that you do not take Hill away from us. We have been well represented by Mr Knuth for many years, and if you wish to get rid of the Katter party put up a representative who can challenge them. He will have to be good.

Thank you.

Cali Court.
