To Whom It May Concern,

I wish to object to the redistribution of Eli Waters and Urraween in Hervey Bay. These suburbs are part of Hervey Bay, not Maryborough. Importantly, it includes the Hervey Bay hospital which needs to remain part of the Hervey Bay electorate.

Being 30 minutes away from Maryborough, Eli Waters and Urraween have different interests and priorities than Maryborough. The priorities and interests of these suburbs are the same as Hervey Bay and should remain part of the Hervey Bay electorate.
