Dear Sir

I am putting forward my proposal of what I'm requesting in regards with the LNP wanting to abolish the Hill Electorate. I strongly object against the Queensland Redistribution Commission's proposal. In Far North Queensland from parts of the coastal area and across the Atherton Tablelands and surrounding areas we make our own decisions up here of what we require not the government. My proposal is set in concrete and that's to keep the Hill Electorate open we don't need to travel far to meet up with our state member and is very convenient. Also other FNQ supporters urgently request that the Hill Electorate stays not to be abolished. As far as we are concerned the South East Redistribution Commissioners can keep your poison and opinions down there don't send it up here. We have had enough of your rotten garbage. We don't support any of your proposal. Words have been said what needed to be looking forward to a positive outcome.

Yours sincerely  
Rose Sutton
