To whom it may concern,

I wish to have my say about the Queensland Redistribution Commission's proposal to eliminate the seat of Hill. This is depriving North Queenslanders of the opportunity of having a member in close proximity. I don't want to be represented by someone who is not across the issues in our community. It is also my opinion that the QRC is trying to extinguish Katter Party representation in North Queensland.

I would urge you to reconsider and keep the seat of Hill.

Yours sincerely,
Katrina Jensen.
