I totally object to removing both Hill and Shane Knuth from the annals of Queensland's electoral history.

Shane has been in the firing line 3 times since he started politics, he shouldn't have to be 'sacked' because he is such a popular politician..I say sacked because that is what is effectively being done to him and his electorate of Hill.

The Labor government tried to do it when they did the last redistribution and now the LNP is trying to do the same.

The Atherton Tablelands is also sick and tired of being pushed from pillar to post and now the Electoral Commission want to split the Tablelands in two, bloody ridiculous. Having part of the Tablelands attached to some of the most arid parts of Queensland...what a joke.

And to make the proposed seat an area pretty much unserviceable for the politician who wins it due to the massive size will be a disadvantage for the current LNP government, as most of the preferences at the polling booth usually go to the LNP, I'll bet that will change if the redistribution goes ahead.

JUST LEAVE THE ATHERTON TABLELANDS ALONE FOR CHISTSAKE, WE'RE SICK AND TIRED OF BEING THE PUNCHINGBAG FOR BOTH LNP AND LABOR.
