Sir / Madam.

I am aghast, deeply offended, that your organization should even suggest deleting our electorate of Hill whilst giving more seats to the S.E. corner of this state!

Are we not entitled to fair representation for the Far North?

Instead of messing with changes to electorates, how about giving us what we really want?

We want a new state, completely removed from the Brisbane centric, out of touch, money pit that is the S.E. corner.

I strongly suggest a rethink on this extremely poor, deeply unpopular, idea.

Thank you.

Frank Paino.
