You don't often get email from [REDACTED] au. [Learn why this is important](#)

I am writing to object to the proposed boundary redistribution of Noosa not including Cooroy. The community of Cooroy is closely aligned with the Noosa district with the population sharing the values and infrastructure of the Noosa area. To include Cooroy in Nambour makes little sense. Most people living in the area would rarely visit the Nambour district, let alone care about that community's needs or facilities.

I hope you will reconsider any boundary re-distributions of Noosa to include Cooroy. The current inclusion of Cooroy into the Nambour district makes no sense. "Evening up the numbers" is not a good reason.

I look forward to a response.

Regards,

Kay Thornton
