I would like the suburb of Ocean View to be included in the Pine Rivers Electorate. I believe it is not a good idea to delete Lawnton, Bray Park and Strathpine from the Pine Rivers electorate. Pine Rivers is where Lawnton and the other suburbs lie.

As stated above, I believe Lawnton, Strathpine and Bray Park should remain in the Pine Rivers electorate as that's where they are, in the Pine Rivers area. I live in Ocean View and we were taken out of Pine Rivers electorate the last time and put in another electorate that has no connection whatsoever to where we live. We shop in Dayboro, Petrie & Strathpine; not connected at all to Woodford, so, we want to be put back to our 'old' electorate of Pine Rivers.
