I wish to put in my objection to the name change of the new electoral name of the Scenic Rim to 'Beaudesert'.

I know that Beaudesert seems to get the main focus of our government but it is a small and insignificant part of the region you are renaming. Not to mention the cost to change signs and names on infrastructure which is unnecessary.

Why fix what isn't broke. Move the boundary if needed but leave the name alone. Scenic Rim is more inclusive and more accurate.
