Submission:

i am neither in favour or against the boundary changes. There however does need to be a serious look at where the lines lie. Towns like Atherton, Malanda, Ravenshoe and others in the Mareeba and Tablelands shires should not be placed in an area as big and vast Traeger. The local member is readily contactable due to Hill being a division of smaller size. If these boundaries change the above towns will possibly struggle with being able to contact and meet with the sitting member.
