To Whom It May Concern,

As a resident in the seat of Hill I am concerned what the reallocation of our seat would mean for our community.

Our state member would be based 1000km away. The geographic, infrastructure and community identities vary greatly across this region and the weaker connection between our people and our politicians reduces our advocacy opportunities and makes the electorates harder to service for those members.

Regional Queensland needs to have our voices stronger not diluted by the increasing population in the South East corner.

Please consider while the population increases in SE Qld, the issues are similar for a lot of those people. Our issues in remote and regional Queensland are varied and need fair representation across these areas.

I would be happy to be contacted if any further information is needed.

Kind Regards,
Emily Larcombe B.Pharm GradCertPres
