I like the name changes but don't like the redistribution of boundaries.

Having lived in outback rural qld where chunks of divisions are being moved or a seat is totally wiped out to make way for an extra seat in SE Qld is absolutely atrocious, self righteous and putting the governments agenda and priorities ahead of the people.

Living in rural Qld for over 15 years we make a lot of the money that is spent in and for SE Qld but we don't get a say. This again proves the rural towns are being put behind the rest of SE suburbs. I'm sick of it.
